Background

Fish is regarded as one of the most important source of animal protein. Sustainable fisheries and aquaculture improves food and nutrition security, promote economic growth and protect our environment and natural resources. Recent advances in fish taxonomy, nutrition and aquaculture are efforts to make the industry more sustainable. The workshop is a sincere effort to train young students and academicians in the field of Fisheries Science and Aquaculture.

Objectives

The workshop is aimed at imparting training in latest skills and techniques in the field of Fish Taxonomy, Fish Biology and Physiology. Aquaculture, Fish farming and Biofloc technology with on field visits.

Course Highlights

The course consist of lectures/presentations, lab hands on training , demonstrations and field visit of aquaculture facilities focussing on the following themes:

- Taxonomic tools and its applications
- Digestibility study in fish nutrition
- Small scale aquaculture boosting livelihood
- Fish seed hatchery & Fish seed rearing
- Mini fish feed mill
- Biofloc aquaculture technology
- Community seed nursery
- Community based management
- Recirculating Aquaculture System (RAS)
- Cage Aquaculture System
- Integrated fish farming
- Composite fish culture

Venue

Department of Zoology , Bodoland University, Kokrajhar, BTAD, Assam- 783370

Resource Persons

Prof. Dandadhar Sarma

Department of Zoology, Gauhati University, Assam-781014

Dr. Anupam Sharma, District Fishery Development Officer (i/c), Bongaigaon, Assam.

Sri Ajan Mahanta, FDO, o/o DFDO, Kokrajhar

Miss Madhusmita Kalita, FDO, o/o DFDO, Chirang

Dr. Khangembam Bronson Kumar

Asst. Prof., Department of Zoology Bodoland University, Kokrajhar, 783370, Assam.

Registration Detail

Registration is mandatory for all participants. Workshop registration fee (in INR) are given below:
Students : Rs. 300

Research Scholar/ Academician : Rs. 500

*(Spot registration only for selected candidates)
Applicants may submit their duly filled up registration forms to the following email:

kbronson173@gmail.com

*No TA/DA will be provided.

Level of Participants

Post Graduate, Research Scholars and Faculty members in the field of Zoology/Life Science/Fisheries/Fish Biology/Aquaculture etc.

Number of Participants

Number of participants : 25

Important Dates

- Application Deadline : March 5, 2020
- Selected Candidates List : March 6, 2020
(Selected candidates will be intimated through email/phone.)

About the Department

The Department of Zoology was established in the year 2014 under the aegis of the Faculty of Sciences, Bodoland University. The Department offers M.Sc. and Ph.D. courses in Zoology . The Department is actively engaged in research fields like Cell molecular Biology, Fish Biology and physiology, aquatic biology, wildlife ecology, Ethnomedicine, Pharmacology etc., with sponsorship from various national funding agencies like DST, DBT etc.

Organizing Committee

Chief Patron

Prof. Laishram Ladu Singh,
H'ble VC, Bodoland University

Advisor

Dr. Prahlad Basumatary
Registrar (i/c), Bodoland University

Chairman

Prof. Hilloljyoti Singha
Head, Dept. of Zoology, Bodoland University

Members

Dr. A. Swargiary, Dr. D. Brahma, Dr. P Nath
(Assistant Professor, Bodoland University)

Conveners

Dr. Khangembam Bronson Kumar

Asst. Prof., Department of Zoology, Bodoland University, Kokrajhar, 783370, BTR, Assam.
9899046204, kbronson173@gmail.com

Mr. Bihung Basumatary

Asst. Prof., Department of Zoology, Bodoland University, Kokrajhar, 783370, BTR, Assam.
8638326341, bihungbasumatary@gmail.com
